Welcome to this charming brick ranch located in the fast-growing Charleston area. This lovely 4 bedroom, 1 bathroom and 1/2 bathroom home features a fresh coat of paint throughout and new flooring in the hallway, bathroom, and kitchen. In addition, new carpet has been laid in the back bedroom, and flooring has been recently installed in the living room and laundry room. Built for comfort and style, this home boasts a cedar-lined master bedroom closet along with built-in shelves in the main bathroom.
